Sir

In submitting herewith the Estimates for repairing the Keshava Devar temple at Kadur and for constructing a house to keep the car of the said Keshava Devaru temple, I have the honor to state that the car procession of this temple had been stopped for over fifty years. Some of the influential and well to do residents of Kadur have made arrangements for the annual celebration of the car festival. By public subscription a

a car was purchased and funds are being invested for the Pooja being properly performed. (vide enclosed memo dated 6th August 1893 in detail enclosed)

There are Rubees 155 8 8 at the credit of the temple under the management head. This temple has no Inam lands, but it gets an allowance of Rs 3 8 3 per mensem as ready money Grant, which sum is at present utilized for Parivara and other Expenses connected with the temple

The Subscriptions viz Rs 1150-0-0 already collected from the mill to the residents of Kadur and other places have been invested and interest thereform is proposed to be spent for the regular performance of Pooja in the temple The proposed arrangements are described on page 12 of the enclosed memo

therefore beg to recommend that the Estimated cost of Constructing a house for the Car viz Rs 140-0 may be kindly sanctioned to be met out of the management funds of the temple and that the Estimated cost of repairing the Keshava Swamy Temple viz Rs 876-0-0 may be graciously sanctioned out of the State Grant for the year 1893-94 sanctioned for the repairs of the Mysore Institutions in the Province, as no other funds are available at the credit of this temple. The Amildar of Kadur states in his report that the work was put in hand as directed by the Mysore Superintendent pending sanction to the Estimate and the work is progressing & nearing completion. From

To

The Muzarayi Secretary to the
Government of Mysore.

Sir,

Adverting to Government Proceedings No 364-5 Muz F 28-93 dated 4th October last, sanctioning the estimate of Rs 876/- for the repairs of Kesava Devas Temple in the fort of Kadur, I have the honor to state that the Amildar in carrying out the works has exceeded the estimates above sanctioned by Rs 209-2-7.

2. The detailed explanation of the Amildar for these excess works contained

in his Ittilla No. 113 / 2-6-94 and the revised estimate are herewith submitted.

3. The Amildar of Kadur was called upon to explain why he exceeded the estimates without obtaining sanction His explanation that reporting and obtaining sanction would entail delay and that in repairing an old building, additional work was entailed, is not satisfactory. But, however, as the extra cost appears to me to have been necessary and the work has been well executed, I beg to recommend that sanction may be kindly accorded to the revised estimate of Rupees 1,085-2-7 and that the bill for Rs 171-1-5 exclusive of Rs 38-1-2 under "Hosahead" at the credit of the temple, may be kindly passed.
